Parent Handbook

School Readiness is our goal as we support children in the Christian lifestyle and get them ready to enter the academic world at the school of your choosing. Developmentally Appropriate, Best Practices, for preschool children, guide our planning and curriculum to make this an outstanding preschool to attend.

Mission Statement

Calvary Lutheran Preschool is a vibrant ministry of Calvary Lutheran Church, a way of meeting the needs of all children and their families, including sharing the gospel and love of Jesus Christ. We are committed to creating a Christian atmosphere in which social emotional skills, spiritual growth, physical development and developmentally appropriate pre-academic opportunities are of the utmost importance. Calvary Lutheran Church views children and families as a precious resource, given by God, and acknowledges its responsibility to assist parents in providing for their children's nurture and care. Proverbs 22:6 says, "Train your children up in the way they should go, and when they are old they will not depart from it." **Welcome to the Calvary Lutheran Church Family!**

Goals

The **SPIRIT** of Calvary Lutheran Preschool embraces all children in their School Readiness preparation as we support children in a Christian lifestyle and get them ready to enter the academic world at the school of your choosing. Best Developmentally Appropriate Practices for preschool children guide our planning and curriculum to make this an outstanding preschool to attend.

SPIRIT

Social Skills - the foundation for school success.

Pre-academics - necessary introduction to the benefit and joy of learning.

Individualize - each child is at a unique place in their learning and will be provided with next experiences.

Respect - Christian values are expected and to act in a way to show love for Jesus and others.

Initiative - increase children's ability to start an activity independently along with increasing self help skills.

Transitions - moving from one activity to the next smoothly.

A wide variety of activities include both group and individual, calm and active, chosen and directed. Teachers will include bible stories and Christian values in their conversations with children. The Child Care Program plan is available at your request along with lesson plans. Daily schedules are posted in the classroom. Monthly newsletters are sent home at the beginning of each month for you to reinforce what has been taught, if you so choose, at home. Parents are welcome in the classroom at any time. Your input is encouraged and important to us.

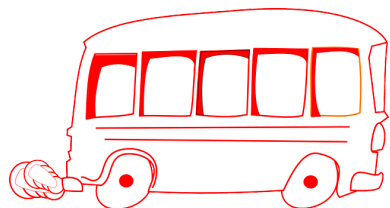

Transportation

You are responsible for your child's transportation to and from preschool. All person's picking up your child must be authorized in writing in the child's Required Student Information form. If in an emergency you send someone else we will ask to see identification. Upon request we can provide a class list with phone numbers for possible carpooling. If you choose to use Rainbow Rider a teacher/assistant will be watching for them and go out to get them off the bus. Please bring your child into the building to drop them off and come in to get them at the end of the day. Assistants will be helping other children get off/on the Rainbow Rider.

Please know we are excited to see your child each day. However, teachers and Assistants are getting classrooms ready before the arrival of their students.

Children may not arrive any earlier than 5 minutes before class. Before school care is provided for an additional fee.

School Closings

Calvary Lutheran Preschool follows Alexandria Public Schools calendar for vacation and conference days.

School closing due to inclement weather will correspond to Alexandria Public School. We will be closed if Alexandria Public School is closed. **When**

Alexandria Public School is 2 hours late ½ day morning preschool will not meet, however all day classes will start 2 hours late and afternoon classes

will be in session. If Alexandria Public School closes early we will close as well and afternoon may not be in session at all. Please listen to Local radio stations for Alexandria Public School announcements. (We are unable to refund tuition for illness, school closings or vacation days.)

Outdoor Play and Temperature Policy and Clothing

Outdoor play is an important part of our curriculum and children will be going outside everyday. The playground is age appropriate and provides many opportunities for large muscle development.

Temperatures below 0 degrees Fahrenheit and/or a windchill of -10 degrees Fahrenheit determines children will stay inside. Also the playground is checked daily by staff and if it is determined it is too wet or slippery to be safe, the children will stay indoors.

Clothing needs to be provided for outdoor play. **PLEASE label snow pants and boots as they can be easily interchanged. And an extra bag for winter clothing is very helpful for children to be responsible for their own items.**

School Bags and Clothing

Please send a **School Bag** with your child everyday. They will be responsible for unpacking and packing their bag each day. It is helpful when the bag is big enough to easily put an 8x11 piece of paper or standard notebook in their bag. **PLEASE label their backpack.**

Clothing for school should be “play” clothing as the children will be using markers, paint, glue, play dough and other messy fun things at school. Please have children wear shoes or send them during “boot” season. Please avoid flip flops in the fall and spring to avoid injuries on the playground.

Mystery Bag

Students will have an opportunity for an interactive conversation experience using our Mystery Bag. The Mystery Bag will go home each day with one child. The child will get to pick what item they would like to share with the class. There will be a piece of paper in the Mystery Bag you and your child will fill out with clues to give to the class and have them try to guess what the item is in the Mystery Bag. Each child will have a few opportunities to share throughout the year depending on the number of days they attend.

Snacks/Lunch/Water Bottles/Birthdays

Snacks will be served daily, once daily in half day programs and twice in all day programs. Please be sure you have indicated allergies or sensitivities on your child's enrollment papers.

You will be asked to provide a nutritious boxed item and juice for your child's class on your designated week. Please avoid candy and fruit snacks. If your child is here for **lunch** it is your responsibility to send a bag lunch and we will store it in the refrigerator until lunch time. Please remember to send a beverage as well. A **water bottle** is allowed for children to have during the day if you so desire. We do celebrate your child's **Birthday** at snack time. It will be celebrated as close to the day as possible and if your child has a summer Birthday we will schedule a half Birthday sometime during the year. The children are encouraged to share treats if they want to on their special day. Food items must be store bought and packaged.

Field Trips

Calvary Lutheran Preschool students and staff may occasionally go on field trips. You will have signed a permission form for field trips included in your packet. You will be notified if we are going somewhere either walking or on a bus. Please let us know if you would like to join us!

Health

Your child's health is important to us. **Your child's Immunizations must be up to date before the first day of preschool.** We will be retrieving Immunization Records from Minnesota Immunization Information Center (MIIC) after we receive all of the required child information from you. **Please let the director know if your family conscientiously objects.** A **Health Care Summary** signed by the child's Primary Health Care Provider must be submitted before your child may attend.

The teachers and assistants are trained in First Aid and CPR. If your child should become ill or injured while at preschool, he/she will be placed on a cot, apart from the group, but within the room where she/he can be observed by the teacher or assistant. We will attempt to reach you by phone, using numbers listed on the permission form. If your child has an accident that requires immediate medical attention, the teacher will contact your child's Primary Health Care Provider. If you cannot be immediately reached by phone, an ambulance service and Alomere Health will provide any necessary emergency care and transportation. You will be expected to assume responsibility for any expenses associated with emergency services.

You will be notified immediately if your child suffers a head injury of any kind.

All other accidents not needing medical attention will be logged and reported to you upon pick up or phone call. We are not able to administer medications of any kind without documentation and permission from you and the child's Primary Health Care Provider. Examples: epipen, inhaler any medications for possible life threatening pre-existing conditions.

Please call 320-763-4099 if your child will be absent from school.

Please keep your child at home if he/she has experienced in the previous 24 hours:

- Vomiting/diarrhea
- A fever of more than 100 degrees fahrenheit
- Sore throat, chills, earache
- Unexplained rash
- Chicken pox, impetigo, lice, scabies

If your child becomes sick or experiences any of the above at school you will be called to take them home.

This will help prevent the above being shared with their friends at school.

If your child has any communicable disease, please notify us upon diagnosis so we can notify other children's parents.

Family Support

Sometimes things happen in families that are helpful for us to know at preschool. Please let us know when a situation arises that might disrupt your child's routine or temporarily upset your child(a move, death, new sibling, family changes). We will offer tender care and support to your child.

If you experience financial hardship during the year please call the Director to work out payments.

Information will be shared via email or telephone. If your family does not speak English the teacher will secure a translation app on their phone to provide needed information.

If you or your child is unhappy about something that is happening at school, please talk with your child's teacher first and if it seems unresolved please call the Director. We will address the issue immediately. We want your child's experience to be positive and joyful!

Calvary Lutheran Preschool staff are **mandated reporters**. If a staff person suspects a child has been maltreated(abuse or neglect) a report will be made to Social Services for the protection of the child. A copy of the Maltreatment of Minors Mandated Reporting policy will be available at Orientation.

Behavior Guidance

A complete copy of the Behavior Guidance policy is available upon request and will be discussed at Orientation. The following is a condensed version. The teachers and assistants will be a positive role model for the children during all classroom activities including:

- Use of positive language
- Children's appropriate behavior will be reinforced using labeled praise
- Clear expectations of appropriate behavior will be taught during the first week of school
- Developmentally appropriate methods will be used
 - Redirection
 - Direct Commands
 - When then statements
 - Sit and Watch
- Children will all all times be kept safe from each other and themselves
 - Children will be taught self regulation skills
 - Children will experience problem solving skills by example from the teachers
 - Children will provide restitution for inappropriate behavior to the injured (emotionally or physically) person
- Aggressive behavior will be addressed immediately by removal from the classroom
 - You will be notified if your child has been separated from the group more than 3 times in one day, five or more times in one week, or eight or more times in two week
 - Separation may mean
 - Sit and watch in a chair - 1 minute, 5 seconds of quiet
 - Removal from the classroom to calm with an adult
 - Child must be calm before returning to the group and comply with the first request.
- No Staff of Calvary Lutheran Preschool will use any means of corporal punishment or emotional stress or physical restraint unless it is to protect the child or others

Conferences

A meeting with a teacher or the director can be scheduled anytime a parent or teacher has any questions or concerns about the child.

Scheduled conferences include

Orientation: Parents and children come to meet the teacher and assistant for their class. As the children get comfortable in their room, the Director will meet with the parents to explain the Parent Handbook and review philosophy, policies, and goals as well as talk through the behavior guidance plan.

Fall Conference: Parents will have the opportunity to see their child's work in a portfolio as well as review with the teacher their child's cognitive, social/emotional, fine motor and large motor assessment. This provides a baseline to inform the teacher's instruction and activities to help students move to the next level of developing pre-academic and social/emotional skills.

Winter Conferences: Parents will have the opportunity to see the child's progress in portfolio work and review and compare the fall assessment to the winter assessment. This conference may also answer questions for placement for the next year.

The philosophy of the Oglesby Public Schools' Early Childhood Education Program is designed to help develop positive self-concept, enhance creativity, and enrich each child's life socially, intellectually, and emotionally. There is an atmosphere of acceptance in which the individual needs of each child are considered and in which the child can flourish and grow under the guidance of qualified teachers.

This program is based on the developmental approach to early childhood education that places emphasis on learning skills that are geared to each child's stage of readiness or development. Our approach to learning

recognizes the tremendous capacity and desire of the young child to discover and explore the environment of their immediate world enabling him or her to convert his natural curiosity into the learning process.

The philosophy of Calvary Lutheran Preschool is to support children's development by developing a positive self concept, encourage creativity, and to help each child reach their individual potential spiritually, socially, intellectually, and emotionally
