Are We There Yet - Week 4

CONNECT

Spend some time checking in. What are highs and lows since you last met? How can your group members pray for and support each other this week?

GROW

- Name a time in life where you worried about being "found out" - when on the outside, you look like you know what you're doing, but on the inside you feel as though you're hiding or waiting to be truly discovered. What caused you to worry? Do you fear being misunderstood?
- Imposter Syndrome could be described like this: *The persistent inability to believe that one's success is deserved or has been legitimately achieved as a result of one's own efforts or skills.* When have you experienced this?
- Read Psalm 139:1-14.
- How does knowing that God has already "found you out" free you to live differently? How could you remind each other that no matter who you are or are not, you don't have to hide it?

PRAY

Dear God, we all have times where we worry people will find out who we "really are." On the days when we feel like imposters, remind us we are truly yours. Thank you for your unconditional love and acceptance. Amen.
