I've Been Meaning to Ask - Week 1

I've Been Meaning To Ask

CONNECT

Spend some time checking in. What are highs and lows since you last met? How can your group members pray for and support each other this week?

GROW

Are you a person who regularly questions things in general? Why or why not? What about matters of faith?

What do you think causes us to worry whether or not we're *enough* for God?

How would you describe the difference between having love for something because *it is valuable* -- and *love that gives value* to something?

If faith isn't the question of how to be enough, but rather the comfort of knowing you already are enough, what does that mean to you?

BIBLE

Read Romans 5:8 and Romans 8:31-39. What do you notice?

PRAY

God of grace, we come to you with all our questions. We pray for courage to ask and open hearts to search for answers. We ask that you would deepen our faith through our questions. In your Son's name, Amen.
