

CALVARY WEEKLY DISCUSSION GUIDE

March 28, 2021

CONNECT

Spend some time checking in. What are highs and lows since you last met? How can your group members pray for and support each other this week?

GROW

- What projects or things in your life are *unfinished* (at work, school, or home)? Are you comfortable or uneasy with things left unfinished? Throughout the past year, have things felt more unfinished than usual in your life? Why or why not?
- Read [Matthew 21:1-9](#). What sticks out to you in this story?
- Have you walked with someone through the end of their life and had them talk about things they *wished* they'd completed or finished? Why do you think we wonder those things?
- What does it mean to you that Jesus journeys to the cross to *finish death* for us? How can you remind one another that you're still able to *participate* in life by loving your neighbor and serving others?

PRAY

Dear God, there is so much in our lives that feels unfinished. And sometimes, we worry that there's more we need to do or say in order to earn your love. But God, remind us that you've finished the most important thing for us. You entered Jerusalem and went to the cross to destroy death for each of us. You free us to love and serve our neighbor, and for that we give thanks. Amen.
