

CALVARY WEEKLY DISCUSSION GUIDE

September 13, 2020

CONNECT

Spend some time checking in. What are highs and lows since you last met? How can your group members pray for and support each other this week?

GROW

- There's no denying that Covid is an example of the "Brand New Thing" that no one wanted. In the earlier days of the pandemic, we hoped to *go back to normal*. When did you shift to *embracing a new normal*? Has this changed the way you'll approach unexpected, new things in the future?
- What other brand new thing has entered into your life that you didn't ask for or didn't want?
- Angie suggested the desire to resist these disruptions is strong. Do you agree? Why or why not? Does that depend on the situation or on your stage in life when you've faced the disruption?
- Read about God's new contract or "covenant" in [Hebrews 8](#). What sticks out to you?
- How could you remind yourself this week that Jesus walks with you through unexpected, new things? How could you remind each other?

PRAY

God, we are in a season of Brand New Things, brand new school years, and brand new stressors. Be with us through these things, reminding us that there is nothing that will ever separate us from your love for us in Jesus Christ. Amen.
