Spend some time checking in. What are highs and lows since you last met? How can your group members pray for and support each other this week?

GROW

- How would you describe your year *Like No Other*? Can you do it in just one word?
- When have you found yourself saying, "I've had enough" either this year, or previously? Is there something eating away at you, without you even noticing?
- Read 1 Kings 19:1-12. When have you experienced the presence of God in a whisper?
- How can you reassure one another that God is near, even when we are overwhelmed? Be specific!

PRAY

God, when there are moments when we feel like we've had enough, remind us that you are near. When we doubt your presence, remind us you've never left us. When it seems impossible to find love and goodness, help us to listen for your whisper. In your name we pray, Amen.
