Spend some time checking in. What are highs and lows since you last met? How can your group members pray for and support each other this week?

GROW

Pastor Hans suggested 4 ways that followers of Jesus are *not* like the world:

- **John 14:1-4, 25-27**. How can we encourage one another to live by faith rather than fear? Name some of the fears that you are facing during this time.
- **Philippians 2:3-8**. How would you describe being "sacrificial"? When have you experienced the challenge of sacrifice over the ease of selfishness?
- **Acts 2:44-47**. Covid is a fixture of our daily life, right now. What "fixtures" in your daily life could be changed or updated? How could renovating or remodeling faith practices actually help one another live an everywhere, everyday faith?
- **Matthew 5:14-16**. How can Christians continue to shine God's light during a global pandemic when we are limited in our in-person engagement?

PRAY

Gracious God, as your church, we approach the world with a different filter. Give us faith to overcome our fears. Give us courage to live out our faith every day. And give us joy as we shine your light. Thank you for giving us the greatest gift of sacrifice and love through your son, Jesus Christ. Amen.
