

CALVARY WEEKLY DISCUSSION GUIDE

December 27, 2020

CONNECT

Spend some time checking in. What are highs and lows since you last met? How can your group members pray for and support each other this week?

GROW

- As we inch closer to 2021, have you asked yourself, "What's next?" What comes to mind - say it, even if it seems obvious to you!
- Have you ever discovered that you've tried to do the right thing, but done it in the wrong way? Have you believed that you'd be content if you just find control over something in your life? How do you reflect on those instances now?
- When have you allowed someone or something else to define you? Why does it seem hard to "take back" our lives and identities sometimes? Has there ever been something you wanted back that turned out not to be good for you?
- Read Matthew 19:16-26. How can you remind one another (and yourselves) to look to God to discover what is possible, not simply toward that one new fad or trend?

PRAY

Lord God, thank you for the work of Jesus which transforms us from the old way of identity and purpose of thinking, of achievement, of striving, that leaves us lacking to the new life offered through your son that reminds us we are loved, we are worthy, and we are enough. Help us to take this message with us today and share it with others who desperately need to hear it, because in you we know all things are possible. In your son's name, Amen
