CONNECT

Spend some time checking in. What are highs and lows since you last met? How can your group members pray for and support each other this week?

GROW

- When you evaluate your life, how do you typically measure it? Why are you drawn to those particular measurements? Have those measurements changed throughout your life?
- Do you agree that Covid has messed up your "measuring stick"? Why or why not? Have you felt that your identity has gone under quarantine, disrupting how you measure up to yourself?
- Read the entire creation story: [Genesis 1:1-31](#).
- How does knowing that as God's treasure, you never have to measure up transform you? How could you remind others that we are made in God's image?

PRAY

Gracious God, we know that his past year has challenged our own measuring sticks. Too easily, we measure ourselves against other people or against our own ideas of what we "should" be. But God, remind us that you have already made up your mind - we don't have to measure up to you. Thank you for creating us in your image, and for treasuring us beyond any measurement. Amen.
